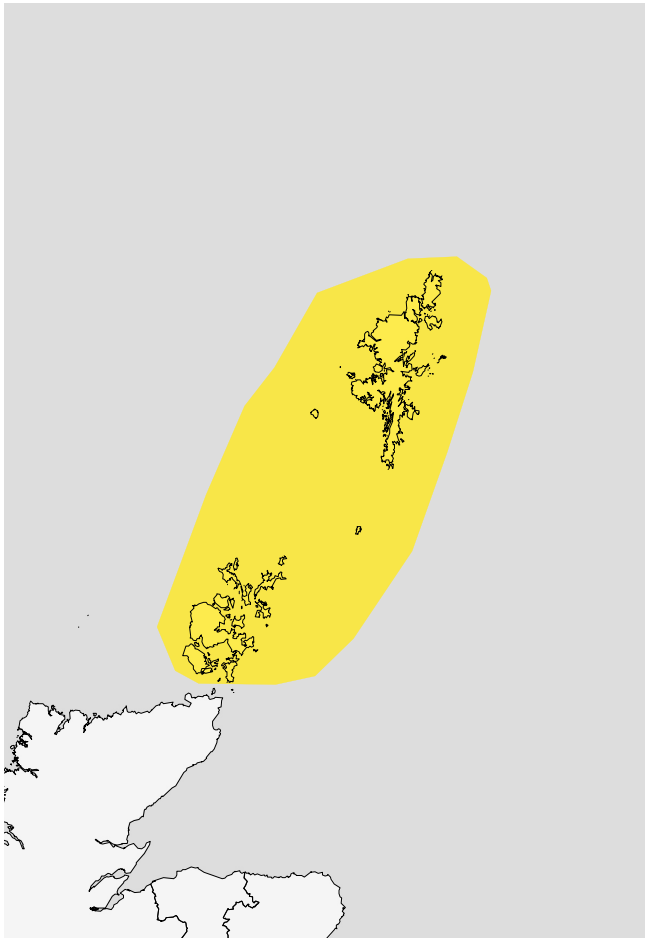
Yellow warning
Snow & Ice

Between
15:00 Sat 30 Jan 2021 and
12:00 Mon 1 Feb 2021



Ice and snow may bring some travel disruption through Sunday and into Monday.

What to expect

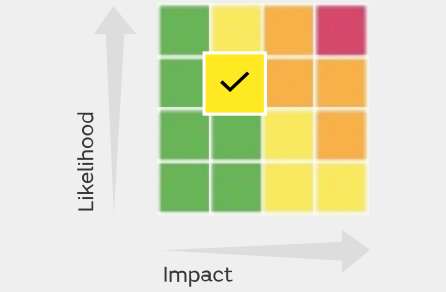
- Some injuries from slips and falls on icy surfaces
- Probably some icy patches on some untreated roads, pavements and cycle paths
- Some roads and railways likely to be affected with longer journey times by road and bus services

Further details

Wintry showers will continue to affect the Northern Isles though Sunday and into Monday morning leading to a risk of ice. Showers will mostly fall as sleet and snow with accumulations of a few centimetres possible in places.

Reason for update

The warning has been extended into Monday with continuing snow showers and risk of ice here.



Medium likelihood of low impacts
